DELF-DALF exams terms and conditions

Registration fees are non-refundable. Registration is definitive once the registration fees have been paid. These fees have to be paid no later than the last day of registration. All candidates must be 18 and over to register.

A notification will be sent no later than a week before the exam, with the exact date and time of examination. If you have not received anything by then, please email examens@alliancefr.org. A lack of notification does not allow the candidate to ask to postpone or get a refund for their exam. Exam dates and times are definitive and cannot be modified.

Results are sent via email around six weeks after the written exam. Another email will be sent as soon as your diploma is ready, five to six months after the exam to set up an appointment in order to collect your diploma.

In case of force majeure (illness, general strike, death of a parent) : the candidate must send the appropriate supporting documents (medical certificate, note from transport services stamped and signed, etc) to examens@alliancefr.org within 24 hours of the first missed exam. If the document is considered valid, Alliance Française de Paris will sign up the candidate on the next available session. Exams can only be adjourned once, no matter the motive.

For disabled candidates or candidates with special needs : the candidate must provide a medical certificate detailing the nature of the disability and the adjustments required for the exam. The Alliance Française de Paris will provide these adjustments within its available resources. If a braille copy of the exam is required, the request must be sent no later than six months before the date of the exam. The candidate must notify examens@alliancefr.org with the medical certificate no later than the day of registration.

To access the examination room you must :

- Provide a valid proof of ID with photo and signature : national ID card, passport, driver’s licence, residence permit. Only originals are accepted. If there is any doubt about the candidate’s identity, a second proof of ID will be asked to support the first one. No refund or deferral will be allowed if the candidate is not able to provide a proof of ID.

    - Receipt for a residence permit request ;
    - Receipt for an asylum request (with photo)
